

DUBOIS FAMILY TO HOST TEAM ROPING SCHOOL

We are hosting Mr. Justin Parish for a team roping school at the Red River Cowboy Church in Coushatta next week. September 11-13, 9am-5pm.

Our family first met Justin a few years ago when the kids attended the "From the arena to the cross" bible camp/team roping school. We went there 3 years in a row!

Justin is a great teacher and a Christian man. Justin will focus on rodeo training and advanced roping & horsemanship. Students will learn about horse position, body position, scoring, learning how to figure out the start on barrier lengths, proper saddle fit, tack and bits. All the small things that make a big difference and what can give you the winning advantage in the rodeo arena.
